# 30 in 1 Game Collection vol 1

- Master **30 carefully selected games** that will test your reflexes, memory & wits!
- Defend your village against Vikings, climb to the top of the tower and overcome obstacles, play a round of hockey, switch colors and pass safely through gates, or play the classics such as snake, memory or cup game!
- In this abundance of pick-up-and-play games, you can play solo, or get the party started, as **over half of games have support for up to 4 players.**
- This is the best and most diverse collection of challenging games available on Nintendo Switch for the price of just one game!
